Conflicts

If you are selected and other conflicts come up which are not reflected on this form, this Encore production MUST be your first priority. The Technical Director may replace crew members who add significant conflicts after casting. It is very important that participants be completely candid about their conflicts. NO CONFLICTS ARE PERMITTED DURING LOAD IN, TECH WEEK, AND PERFORMANCES.

Please fill out your conflicts on the rehearsal calendar carefully and list ALL conflicts on the crew calendar. Be sure to consider school, family, travel, sports, dance, theatre, music, or any other activities. Mark an "X" on the days/times you have a conflict and are unable to attend a crew date.

Thanks for coming!
